

TIMMONS GROUP PRESENTS

STORMWATER POLLUTION PREVENTION PLANS (SWPPP)

JOIN US FOR OUR NEXT VIRTUAL LEARNING COURSE!

Timmons Group understands that amid all the conference cancellations and changing schedules, technical professionals still need to maintain Continuing Education requirements. We are here to help feed your Continuing Education needs by serving **FREE** virtual learning courses. Whether you are quarantined at home or at the office practicing your social distancing, fulfill your Continuing Education requirements with Timmons Group!

Stormwater Pollution Prevention Plans (SWPPP)

September 24, 2020
12:00 PM - 1:00 PM EST
1 LU HSW Credit

In this presentation, we will provide an overview of the Construction General Permit and its requirements which specifically relate to the development of Stormwater Pollution Prevention Plans (SWPPP). We will outline what is required of the SWPPP's, how and why it is applicable to develop one, and how to obtain approval from the appropriate agency. We will discuss how to develop a SWPPP and when it is appropriate to start the SWPPP process in the project timeline.
